

A.ABHISHEK

BACHELOR OF COMPUTER SCIENCE

aabhisheknair2003@gmail.com | +91 72003 32859 | Chennai, India

SUMMARY

Recent computer science graduate with a keen interest in development roles. Skilled in mobile app development using frameworks like Flutter, along with front-end technologies such as HTML, CSS, and JavaScript. Completed several personal projects, including a To-Do app and a finger tap game, showcasing my ability to create functional and user-friendly applications. Excited to bring my enthusiasm and technical skills to a forward-thinking company and contribute to impactful projects.
